welcome

Welcome to Basingstoke Community Churches' Summer School Festival

This is the fourth annual Summer School in Basingstoke, a festival of learning and encounter through word, worship and fellowship. We are delighted to have two keynote speakers: Krish Kandiah & Bob Ekblad. We are also delighted to have the RAW Worship team.

As ever, we have a jam packed programme of both daytime and evening sessions, covering a diversity of topics. All have the intention of enabling us as individuals and as the church to be more effective in living out the gospel, communicating and demonstrating our faith in society, and seeing lives transformed by the power of the Holy Spirit. Hopefully, everyone will find something to grab their attention and provoke them in God!

The event begins with a gathering on Sunday 13 June at Aldworth Science College at 10am.

The aim of our Summer School is to bring the story of the bible to life, and provide room for listening to and encountering God. It is not only about lectures; there will be opportunities for questions and discussion, worship and corporate response. We also build in plenty of time for fellowship over coffee and meals and provide an area for quiet reflection and prayer.

Do think about taking some time out to be part of this learning together – if the last three years are anything to go by you won't be disappointed!
